

ACTION TAKEN REPORT OF FEEDBACK FROM STAKEHOLDERS PG 2018-19

- Industrial training for a period as specified in the curriculum during summer / winter vacation is made mandatory. In this case the training has to be undergone continuously for the entire period. The students may undergo Internship at Research organization / University/ Industry which will enhance their field knowledge and to gain exposure to industry activities. The training period is made to four weeks in the regulation R 2019 and from one credit it has enhance to a two-credit course.
- The students were given guest lectures by experts/Government officials as and when required to cater to the recent demand.
- Students are permitted to enrol online courses (as per the curriculum requirement) with the approval of the Departmental Consultative Committee and the Centre for Academic Courses subject to a maximum of three credits.
- The students are taken to industrial visits every semester according to the courses offered in that semester.
- The students are encouraged to participate in the workshops organised by the Department and special lectures arranged by the University to gain additional inputs.
