

# 2021-22: AU-UD-PARENT'S FEEDBACK ON PROGRAMMES AND STUDENTS: (Last date is 24.12.2022):

Dear Parents,

Greetings from Anna University!

Institutional feedback systems are essential for the growth of every entity. As Higher Education Institutions are gradually defining new routes for greater accountability and teaching effectiveness, feedback systems provide some answers to improvement in educational outcomes. The feedback system would ensure that information regarding the performance of the various key institutional stakeholders has adequate information to help them improve.

As part of the Accreditation and Ranking requirements, the process of Exit Survey and Feedback on Curriculum is initiated by IQAC.

In this connection, the link for Feedback on Curriculum reflected on the capability of students to be given by the parents is shared and you are requested to file the form.

**This process is to be completed on or before 24.12.2022.**

Before filling out the form, Please refer to the Reference file available on AU - IQAC Website.
