## Green Campus Policy

Anna University is committed to develop its campuses as places where education is combined with environmental friendly practices to promote Sustainable Development by

- restricted entry of automobiles, promoting the use of Bicycles and provision of Pedestrian Friendly pathways
- ban on use of disposable Plastics in line with the State Government Guidelines.
- creating awareness with stakeholders on the need for maintaining greenery in the campus for sustainable ambience.
- encouraging all stakeholders to support and participate in ensuring green cover in the campus.
- preserving age old trees and protect them to have prolonged life.
- enhancement of green cover by landscaping with trees and plants.
- conduct of green audit at regular intervals and implement the suggestions towards creating green campus

The faculty, staff and students are encouraged to contribute collectively to develop an eco-friendly sustainable campus and disseminate the concept of eco-friendly culture to the nearby community and wherever possible.
